BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of  
California-Pacific Utilities Company,  
a California corporation, for  
authority to increase its rates for  
electric service in its Lassen  
Division.

Application No. 53884  
(Filed March 9, 1973)

SUPPLEMENTAL ORDER

Changes authorized in rates, charges, and conditions under Appendix A of Decision No. 82711 were found, on further test, to produce \$5,100 less than the revenue requirement increase of \$179,000 found to be justified.

The Commission finds and concludes as follows:

1. The rates authorized by this Commission as set forth in Appendices A and B of Decision No. 82711 as modified by this decision are fair, just, and reasonable.

2. The increase in rates and charges authorized herein are just and reasonable, and present rates and charges, insofar as they differ therefrom, are for the future unjust and unreasonable.

IT IS ORDERED that:

1. On or after April 30, 1974, applicant is authorized to file rates as set forth in Appendices A and B of Decision No. 82711 as modified by Ordering Paragraph 2 below. Such filing shall comply with General Order No. 96-A. The effective date of the revised schedules shall be five days after the date of filing. The revised schedules shall apply only to service rendered on and after the effective date of the revised schedules.

2. The energy rates of Schedules Nos. D-110, A-120, C-128, P-130, and P-140 as shown on pages 1 through 4 of Appendix A of Decision No. 82711 shall be modified by increasing each energy rate by .004 cents per kilowatt hour. The rate per lamp per month of Schedules Nos. LS-154 and LS-156 as shown on pages 5 and 6 of Appendix A of Decision No. 82711 shall be modified by increasing each lamp rate by one cent per month.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 23rd  
day of APRIL, 1974.
