Petition for Modification
No. 285
(Filed December 14, 1973;
amended January 4, 1974)

SUPPLEMENTAL OPINION AND ORDER82924

Decision No. _____ entered today in Case No. 5432
(Petition for Modification No. 779) et al. found that the rates
and charges in Minimum Rate Tariff 19 should be increased and that
amendment of that tariff should be accomplished by a separate order
in order to avoid duplication of tariff distribution.

IT IS ORDERED that:

1. Minimum Rate Tariff 19 (Appendix A to Decision No. 41363,
as amended) is further amended by incorporating therein, to become
effective July 1, 1974, the revised pages attached hereto, and listed
in Appendix A, also attached hereto, which pages and appendix by
this reference are made a part hereof.
2. Common carriers subject to the Public Utilities Act, to
the extent that they are subject also to Decision No. 41363, as
amended, are hereby directed to establish in their tariffs the
amendments necessary to conform with the further adjustments ordered
herein of said decisions.
3. Any provisions currently maintained in common carrier
tariffs which are more restrictive than, or which produce charges
greater than, those contained in Minimum Rate Tariff 19 are authorized
to be maintained in connection with the increased rates and charges
directed to be established by Ordering Paragraph 2 hereof.

4. Common carriers maintaining rates on a level other than the minimum rates for transportation for which rates are prescribed in Minimum Rate Tariff 19 are authorized to increase such rates by the same amounts authorized for Minimum Rate Tariff 19 herein.

5. Common carriers maintaining rates on the same level as Minimum Rate Tariff 19 rates for the transportation of commodities and/or for transportation not subject to Minimum Rate Tariff 19 are authorized to increase said rates by the same amounts authorized for Minimum Rate Tariff 19 rates herein.

6. Common carriers maintaining rates at levels other than the minimum rates for the transportation of commodities and/or for transportation not subject to Minimum Rate Tariff 19 are authorized to increase said rates by the same amounts authorized for Minimum Rate Tariff 19 rates herein.

7. Common carriers, to the extent they maintain rates not otherwise specifically referenced in other ordering paragraphs hereof, are authorized to increase such rates by 5 percent.

8. Tariff publications required or authorized to be made by common carriers as a result of the order herein shall be filed not earlier than the effective date of this order and may be made effective not earlier than the fifth day after the effective date of this order, on not less than five days' notice to the Commission and to the public; such tariff publications as are required shall be made effective not later than July 1, 1974; and as to tariff publications which are authorized but not required, the authority herein granted shall expire unless exercised within sixty days after the effective date hereof.

9. Common carriers, in establishing and maintaining the rates authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order;

and schedules containing the rates published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

10. In all other respects Decision No. 41363, as amended, shall remain in full force and effect.

11. With respect to Minimum Rate Tariff 19, to the extent Petition for Modification No. 285 in Case No. 5441 is not granted herein, said petition is hereby denied.

The effective date of this order shall be twenty days after the date hereof.
