Application No. 54930
 (Filed June 5, 1974)

O P I N I O N

Northwestern Pacific Railroad Company seeks authority, pursuant to General Order No. 36-C, to abandon its Class "C" non-agency station at Camp Grant, Humboldt County.

The verified application states that the station is not now required nor likely to be required in the future, as there are no facilities for handling freight thereat. There are no patrons using this station.

The existing stations nearest to Camp Grant are South Fork (non-agency) 3.9 miles northwest and McCann (non-agency) 1.2 miles southeast.

Notice of the filing of the application was published in the Commission's Daily Calendar on June 6, 1974. Letters were sent to various interested parties by the staff advising them of the application and that comments or protests to the proposal were to be received by July 15, 1974. No protests have been received.

F I N D I N G S

The Commission finds that:

1. Public convenience and necessity no longer require that Northwestern Pacific Railroad Company maintain Camp Grant as a Class "C" non-agency station.
2. A public hearing is not necessary.

C O N C L U S I O N S

On the basis of the foregoing findings, we conclude that the application should be granted as set forth in the following order:
