Case No. 9444
(Filed September 26, 1972)

ORDER OF DISMISSAL

This complaint was filed September 26, 1972. The matter was originally set for hearing January 19, 1973 and was reset to March 30, 1973 pursuant to the request of complainant. On March 30, 1973 the matter was removed from the calendar at the request of the complainant. By letter dated February 12, 1974 (the most recent correspondence from complainant), complainant advised that the matter could probably be resolved and that no action be taken until March 1, 1974 at which time complainant would request dismissal or a hearing on the merits of the complaint.

By letter dated June 21, 1974 the Secretary of the Public Utilities Commission requested that complainant advise whether or not it wished to pursue this matter. The letter also stated "If a reply to this letter is not received within 15 days, Case No. 9444 may be dismissed for lack of prosecution." No reply to the letter dated June 21, 1974 having been received from complainant,

IT IS ORDERED that Case No. 9444 is dismissed.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 6th
