ORDER DENYING REHEARING
OF DECISION NO. 82934

By Decision No. 82934, issued May 29, 1974, the Commission granted Southern Pacific Transportation Company (SP) the authority to construct, operate, and maintain industrial drill and spur track crossings at three locations in unincorporated areas of Los Angeles County, as requested by the three applications filed herein.

On June 17, 1974, the County of Los Angeles, and the State of California Department of Transportation, hereinafter referred to collectively as Petitioners, filed a joint petition requesting that the Commission set aside and grant rehearing of Decision No. 82934.

On August 6, 1974, the Commission on its own motion issued Decision No. 83288, which stayed the effective date of Decision No. 82934 until further order of the Commission, pending determination of the joint petition for rehearing.

Having now fully reviewed each and every allegation contained in the joint petition filed herein, and being of the opinion that good cause for rehearing or setting aside Decision No. 82934 has not been shown,

IT IS ORDERED that:

1. Rehearing or other reconsideration of Decision No. 82934 is hereby denied.

2. The stay of the effective date of Decision No. 82934 previously granted by Decision No. 83288 is hereby vacated.

3. The effective date of Decision No. 82934 is the date hereof. The effective date of this order is the date hereof.

Dated at San Francisco, California, this 26th day of AUGUST, 1974.

President
