ORDER MODIFYING DECISION NO. 83453

By Decision No. 83453, dated September 17, 1974, Birdie Airlines, Inc., doing business as Los Angeles Helicopter Service, was granted, among other things, the temporary authority to operate as a passenger air carrier at downtown Los Angeles (City National Bank Building Heliport).

In a letter dated September 30, 1974, Birdie Airlines, Inc. advised the Commission of its desire to serve downtown using the Los Angeles Hilton Heliport in lieu of the City National Bank Building Heliport.

1. We find that this request is reasonable.
2. We find with reasonable certainty that the use of the Los Angeles Hilton Heliport in lieu of the City National Bank Building Heliport will not have a significant effect on the environment.

IT IS ORDERED that Birdie Airlines, Inc.'s certificate be revised as set forth in First Revised Page 1 of Appendix A of

Decision No. 33453, attached hereto, to delete City National Bank Building Heliport. Los Angeles Hilton Heliport shall be utilized to serve downtown Los Angeles.

This order shall become effective 20 days after the date hereof unless prior thereto a party requests a hearing, in which event the effective date of this order shall be deemed suspended and the matter will be set for hearing.

Dated at San Francisco, California, this 19th day of NOVEMBER, 1974.
