Application No. 54271

(Filed August 23, 1973)

ORDER EXTENDING TIME

Applicants request that Ordering Paragraph 2 of Decision No. 82774 dated April 23, 1974 be amended to extend the time to publish tariffs to six months after decisions in two pending rate increase applications.

Applicants allege that the relief requested will save the cost of two publications and result in a total savings of \$10,000 to \$12,000.

IT IS ORDERED that Ordering Paragraph 2 of Decision No. 82774 is amended to read as follows:

"2. Pending the filing of tariffs to reflect the increases authorized in paragraph 1 hereof, applicants are authorized to make effective increases in their passenger fares by means of appropriate conversion tables, provided the increased fares do not exceed the fares authorized in paragraph 1 hereof. Within six months after the effective date of any decisions in Applications No. 55033 and 55511, whichever occurs later, applicants shall proceed to further amend their tariffs so that the increased fares may be determined without the use of conversion tables."

In all other respects Decision No. 82774 shall remain in full force and effect.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 10th day of DECEMBER, 1974.
