A petition for rehearing or reconsideration of Decision No. 83467 has been filed by Southern California Commuter Bus Service, Inc. (Petitioner). The Commission, having considered each and

every allegation therein, is of the opinion that good cause for rehearing and/or reconsideration has not been made to appear. However, one matter raised by Petitioner should be discussed.

It is alleged in the filed petition that Ordering Paragraph 4 in Decision No. 83467 is somehow applicable to all former authority. Such is not the case. The condition of consent imposed by said ordering paragraph is applicable only to competition with service performed under the authority granted in Applications No. 54213 and 54214 and only to the extent that Southern California Rapid Transit District can otherwise lawfully provide competitive service.

IT IS ORDERED that rehearing and/or reconsideration of Decision No. 83467 is hereby denied.

Southern California Commuter Bus Service, Inc. shall comply with the ordering paragraphs in Decision No. 83467 within thirty (30) days after the effective date of this order. Failure to do so may result in a cancellation of the authority.

The effective date of this order is the date hereof.
