ORDER DENYING REHEARING

A petition for rehearing of Decision No. 83574, issued October 8, 1974 to be effective twenty days thereafter, was filed by California Trucking Association on October 18, 1974.

In accordance with Section 1733 of the Public Utilities Code, the Commission suspended the order in Decision No. 83574 by the issuance of Decision No. 83673 on October 29, 1974. The suspension was continued by the order in Decision No. 83880, issued December 17, 1974, pending determination of the instant petition for rehearing.

The Commission, having now considered each and every allegation of the petition for rehearing, is of the opinion that good cause for rehearing of Decision No. 83574 has not been shown.
