Decision No. \_\_\_\_\_

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of GREYHOUND LINES, INC.,  
 for authority to revise, modify and  
 abandon specific routes of Route  
 Group 11, Contra Costa County and  
 to concurrently therewith discontinue  
 related regular route operations.

Application No. 55135

ORDER REOPENING FOR FURTHER HEARING

By Decision No. 83674 the Commission authorized Greyhound Lines, Inc. to discontinue its Contra Costa County commute service as of June 30, 1975. Such authorization was based upon testimony that BART would be providing a complete service, including night, Saturday, and Sunday service, by the spring of 1975. Because there is presently some doubt that BART will have night, Saturday, and Sunday service by June of 1975, the Commission is of the opinion that Application No. 55135 should be reopened for the purpose of further hearing to determine if Decision No. 83674 should be modified.

Therefore, IT IS ORDERED that Application No. 55135 is reopened for the purpose of further public hearings at a time and place to be set.

The effective date of this order is the date hereof.

Dated at San Diego, California, this 4<sup>th</sup>  
 day of FEBRUARY, 1975.
