(Filed January 30, 1975)

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 84207, entered today in Case No. 5432, (Petition for Modification No. 838), et al, the Commission found that various minimum rate tariffs should be amended to reflect the adoption of National Motor Freight Classification NMF 100 B in lieu of National Motor Freight Classification NMF 100 A. The decision also provided that Minimum Rate Tariffs 9-2, 14-A and 15

should be amended by separate order to avoid duplication of tariff distribution.

IT IS ORDERED that:

1. Minimum Rate Tariff 9-B (Appendix A of Decision No. 67766, as amended) is further amended by incorporating therein to become effective April 1, 1975, Twentieth Revised Page 7 and Twenty-first Revised Page 18, attached hereto and by this reference made a part hereof.
2. Minimum Rate Tariff 14-A (Appendix A of Decision No. 67397, as amended) is further amended by incorporating therein to become effective April 1, 1975, Fifteenth Revised Page 4, attached hereto and by this reference made a part hereof.
3. Minimum Rate Tariff 15 (Appendix D of Decision No. 65072, as amended) is further amended by incorporating therein to become effective April 1, 1975, Fifteenth Revised Page 4, attached hereto and by this reference made a part hereof.
4. Common carriers subject to the Public Utilities Act, to the extent that they are subject also to Decisions Nos. 65072, 67397 and 67766, as amended, are hereby directed to establish in their tariffs the amendments necessary to conform with the further adjustments ordered herein.
5. Tariff publications required to be made by common carriers as a result of the order herein shall be made effective April 1, 1975, on not less than one day's notice to the Commission and to the public and tariff publications which are authorized but not required to be made by common carriers as a result of the order herein may be made effective not earlier than April 1, 1975, and may be made effective on not less than one day's notice to the Commission and to the public if filed not later than June 1, 1975.
6. Common carriers, in establishing and maintaining the amendments authorized hereinabove, are hereby authorized to depart from the provisions of Section 460 of the Public Utilities Code to the extent necessary to adjust long- and short-haul departures.

C. 5439 (Pet. 242) et al. - anv

now maintained under outstanding authorizations; such outstanding authorizations are hereby modified only to the extent necessary to comply with this order; and schedules containing the amendments published under this authority shall make reference to the prior orders authorizing long- and short-haul departures and to this order.

7. In all other respects Decisions Nos. 65072, 67397 and 67766, as amended, shall remain in full force and effect.

This order shall become effective March 28, 1975.

Dated at San Francisco, California, this 18<sup>th</sup> day of March, 1975.
