

Decision No. 84390

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Application  
of Golden West Airlines, Inc.  
for a Certificate of Public  
Convenience and Necessity to  
provide air carrier service to  
and from Palmdale/Lancaster.

Application No. 55129  
(Filed August 22, 1974;  
amended September 11, 1974  
and March 3, 1975)

O P I N I O N

On March 25, 1975 Decision No. 84255 was issued in this proceeding. This decision granted applicant a certificate of public convenience and necessity to operate as a passenger air carrier between Palmdale and the points and over the routes set forth in the revised pages of Appendix A of Decision No. 77323. Ordering Paragraphs 2a, b, and c of Decision No. 84255 required applicant, among other things, to file a written acceptance of the certificate granted therein within thirty days after March 30, 1975, the effective date of that order.

On April 11, 1975 applicant filed, under our Shortened Procedure Tariff Docket, Application No. 55618 together with a request to extend the time within which applicant could accept the certificate granted in Decision No. 84255 until applicant could legally do so. Application No. 55618 was filed to correct a long-haul short-haul violation previously overlooked by applicant, which violation precluded applicant from complying with Ordering Paragraph 2 of Decision No. 84255. Since the resolution of (SPT) Application No. 55618 will not be made within thirty days of the effective date of Decision No. 84255, we find that it is reasonable to extend the time within which applicant must comply with Ordering Paragraphs 2a, b, and c of Decision No. 84255 to thirty days after the effective date of the order resolving (SPT) Application No. 55618.

O R D E R

IT IS ORDERED that:

1. Ordering Paragraphs 2a, b, and c of Decision No. 84255 are stayed until the effective date of the order resolving (SPT) Application No. 55618.

2. Golden West Airlines, Inc. must comply with Ordering Paragraphs 2a, b, and c of Decision No. 84255 within thirty days after the effective date of the order resolving (SPT) Application No. 55618.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 29th  
day of APRIL, 1975.
