Decision No. 84424

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Investigation
into the rates, rules, regulations,
charges, allowances and practices
of all common carriers, highway
carriers and city carriers relating
to the transportation of sand, rock,
gravel and related items (commodities
for which rates are provided in
Minimum Rate Tariff No. 7-A).

Case No. 5437
Petition No. 210
(Filed July 14, 1971)

ORDER OF DISMISSAL

Petition No. 210 filed by California Dump Truck Owners Association seeks the establishment of zone rates in Minimum Rate Tariff 17-A for the transportation of rock, sand, and gravel in the Santa Barbara-San Luis Obispo Counties area.

By letter dated April 9, 1975, petitioner seeks dismissal of its petition for the reason that dump truck zone rate matters have been deleted from Case No. 5437 and new proceedings for consideration of such rates have been initiated in Cases Nos. 9819 and 9820. Petitioner states that when it is ready to proceed with presentation of evidence with respect to its zone rate proposals, it will file an appropriate petition in Case No. 9819.

C. 5437 Pet. 210 ltc

Therefore, good cause appearing, IT IS ORDERED that
Petition No. 210 in Case No. 5437 is hereby dismissed.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 13th
day of MAY, 1975.
