Application No. 41241

SUPPLEMENTAL OPINION AND ORDER

By Decision No. 59034 dated September 22, 1959, in Application No. 41241, as amended by Decision No. 74082, Imported Auto Transport, Inc., was granted a certificate of public convenience and necessity authorizing operations as a highway common carrier for the transportation of motor vehicles and parts and related commodities between points on many of the major highways within this State. It also operates under permits issued by this Commission.

By letters dated April 4, and April 9, 1975, Imported Auto Transport Inc., informed the Commission that, pursuant to the order of the Interstate Commerce Commission issued pursuant to Section 5 of the Interstate Commerce Act in Proceeding No. MC-F-11539, Commercial Carriers, Inc., purchased, on April 1, 1975, all issued and outstanding corporate stock of B & H Truckaway, Inc., which owns the issued and outstanding corporate stock of Imported Auto Transport, Inc. B & H Truckaway, Inc., holds authority from the Interstate Commerce Commission and permits from this Commission.

The certificate held by Imported Auto Transport, Inc., is substantially similar to the certificate held by Commercial Carriers, Inc., and it requests that the certificate held by Imported Auto Transport, Inc., be revoked.

In the circumstances, it appears, and the Commission finds that public convenience and necessity no longer require the operations of Imported Auto Transport, Inc., as a highway common carrier. A public hearing is not necessary. The Commission concludes that the certificate should be revoked.

IT IS ORDERED that the certificate of public convenience and necessity to operate as a highway common carrier granted to Imported Auto Transport, Inc., by Decision No. 59034 dated September 22, 1959, in Application No. 41241, as amended by Decision No. 74082, is revoked on the effective date of the tariff filings required by this order.

IT IS FURTHER ORDERED that within sixty days after the effective date of this order, Imported Auto Transport, Inc., shall amend its tariffs on file with the Commission to reflect the authority herein granted. The tariff filings may be made effective on not less than ten days' notice to the Commission and the public.

The Secretary is directed to cause service of a certified copy of this order to be made upon Imported Auto Transport, Inc., or to mail a certified copy thereof to it at its last known address as shown in the Commission's records and to mail a copy thereof to California Automobile Transporters, R. A. Redmond, Agent.

A. 41241

This order shall become effective twenty days after the date hereof.

Dated at San Francisco, California, this 13<sup>th</sup> day of May, 1975.
