Application No. 51018
(Filed April 21, 1969;
amended August 15, 1969)

SUPPLEMENTAL ORDER TO DECISION NO. 76347

The Commission has received a letter from applicant dated April 23, 1975 requesting authority to provide water service to Tract 3520, Tract 3521, and Parcel Map 1932 adjacent to applicant's certificated service area. Applicant further requests that the restriction on extension of service beyond its certificated area, set forth in Ordering Paragraph 8 of Decision No. 76347 dated October 28, 1969, be removed. Applicant provides service to approximately 120 customers in Squirrel Valley, Kern County.

Ordering Paragraph 9 in Decision No. 76347 authorized applicant to carry out the terms and conditions of its Loss Reimbursement Agreement (Exhibit 3 of Decision No. 76347). Applicant was to provide the developer, A. Leggio & Sons, an annual statement detailing the purpose, description, and amount of all additions to and withdrawals from the Loss Reimbursement Fund. A copy of that statement was to be concurrently transmitted to the Commission, specifically to the Finance and Accounts Division. On May 8, 1975 applicant complied with the requirements of Ordering Paragraph 9.

The staff of our Finance and Accounts Division has made an investigation and informs us that the conditions that prevailed when the restriction was imposed no longer exist and that applicant's operation is no longer financially marginal. The staff agrees that the restriction may be lifted.
