BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
STUART ALAN MESSNICK, dba THE
CO-ORDINATORS, for a Certificate of
Public Convenience and Necessity to
Operate a Sightseeing Tour Service
Between Anaheim, California and
Magic Mountain in Valencia,
California.

Application No. 55092
(Filed August 5, 1974)

ORDER OF DISMISSAL

This application requests a passenger stage certificate from various points in Anaheim to Magic Mountain in the city of Valencia. Because of certain common issues it was originally consolidated with Application No. 54963 and Case No. 9781, involving the same applicant.

Hearing on all three matters was held on October 21 and 22, 1974. At that time the applicant indicated he did not wish to proceed with Application No. 55092. Therefore, we severed this application from the other two proceedings and gave applicant until March 28, 1975 to inform us whether he wished to proceed with it, stating that if no such notification was received, it would be dismissed (Decision No. 84186 dated March 11, 1975, Ordering Paragraph 2).

The applicant has not notified us of any desire to proceed with this application, and has not otherwise indicated any continuing interest in it. Dismissal is therefore appropriate.

IT IS ORDERED that Application No. 55092 is dismissed.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 17th
day of JUNE, 1975.
