Case No. 6900

ORDER REVOKING WAREHOUSE OPERATIVE RIGHT

Gridley Warehouses, a corporation, possesses a prescriptive operative right as a public utility warehouseman for the operation of storage or warehouse floor space at Biggs and Gridley.

Sherman S. Hinaman, Jr., Secretary of Gridley Warehouses, has informed the Commission by letter that the utility has not engaged in the public storage business since October 16, 1974, the date it commenced operations as a bonded warehouse under License No. 3-6357 issued by the United States Department of Agriculture pursuant to the United States Warehouse Act. He requests that the operative right be revoked.

In the circumstances, the Commission finds that revocation of the prescriptive operative right, as requested, would not be adverse to the public interest. A public hearing is not necessary. The Commission concludes that the operative right should be revoked and the tariff applicable to the services thereunder should be cancelled.

IT IS ORDERED that:

1. The prescriptive operative right as a public utility warehouseman possessed by Gridley Warehouses, a corporation, as determined by the Commission's order dated August 30, 1960, in Case No. 6900 is hereby revoked.
2. Jack L. Dawson, Agent, is hereby directed to cancel the participation of Gridley Warehouses from the involved tariff of California Warehouse Tariff Bureau on file with the Commission,

such cancellation to be made within 90 days after the effective date of this order on not less than ten days' notice to the Commission and to the public.

The Secretary is directed to cause service of a certified copy of this order to be made upon Gridley Warehouses or to mail a certified copy thereof to it at its last known address as shown in the Commission's records and to mail a copy of this order to Jack L. Dawson, Agent.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 17th day of June, 1975.
