According to Exhibit B to the application, applicant will suffer a loss of \$24,100 based on current rate levels. An estimated profit (before taxes) of \$12,879 will be produced if the relief herein requested is granted. The gross revenue would increase from an estimated \$288,988 to \$325,967.

The application was reviewed by the Commission's Transportation Division which advised that, in the absence of protest, the application should be granted by ex parte order.
