Decision No. 84699

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of Application
of PACIFIC GAS AND ELECTRIC
COMPANY for authorization to
abandon a portion of its
Tuolumne Water System (Water)

Application No. 55059
(Filed July 24, 1974)

ORDER CONTINUING SUSPENSION

Upon the timely filing of a petition for rehearing by Sonora Water Company our order in Decision No. 84428, dated May 13, 1975, was automatically suspended pursuant to Public Utilities Code, Section 1733. However, under this code section the suspension will terminate on July 22, 1975, unless continued by us.

Since it appears that action on the petitions (a petition for rehearing also having been filed by Tuolumne County Water District No. 2) cannot be taken by July 22, 1975 and good cause appearing:

THEREFORE, it is ordered that the suspension of Decision No. 84428 is hereby continued pending further order of the Commission.

Dated at San Francisco, California, this 22nd
day of JULY, 1975.
