Petition for Modification  
No. 856  
(Filed May 16, 1975)

Case No. 5439  
Petition for Modification  
No. 251  
(Filed May 16, 1975)

O P I N I O N

Petitioner, George Cocchia, an individual, doing business as California Clearings Company, seeks exemption from the minimum rates, rules, and regulations named in Minimum Rate Tariffs 2 and 9-B applicable to the transportation of checks, drafts, money orders, securities, transit items, sales audit items, business records, audit media, tabulation cards, data processing materials, legal documents, and printed or reproduced documents or data and related items, excluding transportation subject to weekly, monthly, or yearly vehicle rates when transported in vehicles not exceeding a licensed weight of 4,000 pounds.

The operations here in question are courier operations for which the applicable minimum rates are not appropriate.

This matter was listed on the Commission's Daily Calendar for May 21, 1975. No protests or requests for public hearing have been received. In the circumstances, the Commission finds that petitioner intends to engage in a courier transportation service for which competing highway carriers have heretofore been exempted from the otherwise governing minimum rates, and petitioner's request for similar relief has been shown to be justified.

The Commission concludes that Petitions Nos. 856 and 251 in Cases Nos. 5432 and 5439, respectively, should be granted. A public hearing is not necessary.

O R D E R

IT IS ORDERED that George Cocchia, an individual, doing business as California Clearings Company, is exempted from the otherwise governing provisions of Minimum Rate Tariffs 2 and 9-B when engaged in the courier transportation of checks, drafts, money orders, securities, transit items, sales audit items, business records, audit media, tabulation cards, data processing materials, legal documents, and printed or reproduced documents or data and related items, excluding transportation subject to weekly, monthly,
