Application No. 54665

ORDER MODIFYING DECISION

On August 5, 1975 we issued a second interim opinion and order in these applications (Decision No. 84765) which granted California-Pacific Utilities Company certain interim rate relief for its Needles District, and which permitted the institution of purchased power adjustment and purchased gas adjustment clauses for the Needles District.

Applicant invites our attention to an error in Ordering Paragraph 1.b. which results in incorrect rates. The paragraph should have indicated that the applicant may file gas tariff schedules with rates increased by 4.317¢ per therm, rather than by 0.4317¢ per therm.

Modification of the decision is appropriate to correct this error.

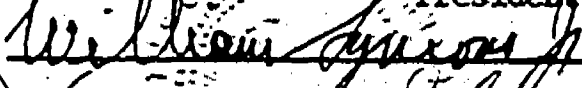

A. 54664, 54665 lmm

IT IS ORDERED that Ordering Paragraph 1.b. of Decision No. 84765 is modified to strike the figure "0.4317¢" appearing therein and to substitute "4.317¢" therefor.

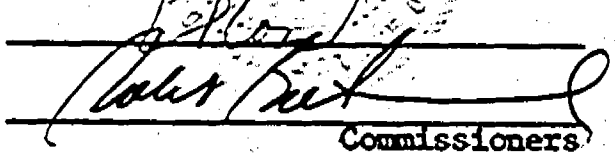

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 12th day of AUGUST, 1975.
