

Decision No. 84797

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the Matter of the Application of
AIRPORTUS for certificate of public
convenience and necessity to operate
passenger and baggage service between
San Jose Municipal Airport and points
within Palo Alto, Mountain View,
Los Altos, and Sunnyvale.

Application No. 55121

ORDER MODIFYING CERTIFICATE OF
PUBLIC CONVENIENCE AND NECESSITY

In Decision No. 84185 dated March 11, 1975 we authorized Airportus to transport passengers and their baggage between the San Jose Municipal Airport and points within a described territory. Airportus requests that we modify the certificate to authorize it to transport unaccompanied baggage as well, as the original application requested the transportation of unaccompanied baggage, as well as passengers and their baggage.

After consideration the Commission finds that the certificate granted in Decision No. 84185 should be modified to include the transportation of unaccompanied baggage.

IT IS ORDERED that:

1. Appendix A of Decision No. 84185 is amended by incorporating First Revised Page 2, attached hereto, in revision of Original Page 2.
2. In providing the additional service pursuant to the authority granted by this order, applicant shall comply with the following service regulations. Failure so to do may result in a cancellation of the authority.

- (a) Within thirty days after the effective date of this order, applicant shall file a written acceptance of the certificate granted. Applicant is placed on notice that if it accepts the certificate it will be required, among other things, to

comply with the safety rules administered by the California Highway Patrol, the rules and other regulations of the Commission's General Order No. 98-Series, and the insurance requirements of the Commission's General Order No. 101-Series.

- (b) Within one hundred twenty days after the effective date of this order, applicant shall establish the authorized service and file tariffs and timetables, in triplicate, in the Commission's office.
- (c) The tariff and timetable filings shall be made effective not earlier than ten days after the effective date of this order on not less than ten days' notice to the Commission and the public, and the effective date of the tariff and timetable filings shall be concurrent with the establishment of the authorized service.
- (d) The tariff and timetable filings made pursuant to this order shall comply with the regulations governing the construction and filing of tariffs and timetables set forth in the Commission's General Orders Nos. 79-Series and 98-Series.
- (e) Applicant shall maintain its accounting records on a calendar year basis in conformance with the applicable Uniform System of Accounts or Chart of Accounts as prescribed or adopted by this Commission and shall file with the Commission, on or before March 31 of each year, an annual report of its operations in such form, content, and number of copies as the Commission, from time to time, shall prescribe.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 19th
day of AUGUST, 1975.

SECTION 1. GENERAL AUTHORIZATIONS, RESTRICTIONS, LIMITATIONS,
AND SPECIFICATIONS.

Airportus, a corporation, by the Certificate of Public Convenience and Necessity granted by the decision noted in the margin, is authorized to transport passengers and baggage (both accompanied and unaccompanied)* between San Jose Municipal Airport, on the one hand, and the hereinafter described service area (generally including portions of Palo Alto, Los Altos, Mountain View, Sunnyvale, and Santa Clara), on the other hand; subject, however, to the authority of this Commission to change or modify said authority at any time and subject to the following provisions:

- (a) Only passengers and baggage destined to or originating at San Jose Municipal Airport shall be transported.
- (b) Carrier will maintain a reservation service at San Jose Municipal Airport.
- (c) Service will be provided daily, including holidays, and shall operate on a regularly scheduled basis in coordination with flight arrivals and departures at the airport.
- (d) Service will be performed:
 - (1) From the airport to any destination within the service area, as requested by a passenger.
 - (2) To the airport from any point of origin within the service area, as requested by a passenger. Passenger is to telephone carrier and specify name, point of origin and desired time of arrival at the airport.
- (e) Carrier will immediately notify passengers of any delay of more than 15 minutes from assigned pickup time.
- (f) Service shall be rendered via a direct route from the point of origin to the point of destination of a passenger, except that when more than one passenger is to be transported in a single vehicle, service shall be rendered by the most direct routings possible, taking into consideration the various points of origin and destination of the several passengers.

Issued by California Public Utilities Commission.

*Revised by Decision No. 84797, Application No. 55121.
