

Decision No. 84801

**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Suspension and  
Investigation on the Commission's  
own motion of tariffs filed under  
Advice Letter No. 3157 by General  
Telephone Company of California.

Case No. 9757  
(Filed June 25, 1974)

ORDER EXTENDING PERIOD OF SUSPENSION

By an amendment issued on May 6, 1975, to the order of suspension and investigation in Case No. 9757, certain tariff sheets of General Telephone Company of California filed under Advice Letter No. 3341 were suspended to and including September 11, 1975 pending public hearing and further order of the Commission. It appears that a decision in the matter cannot be rendered by that date. Accordingly, the Commission finds that the period of suspension of those tariff sheets should be extended.

Therefore, IT IS ORDERED that the suspension of the effective date of the tariff sheets filed by General Telephone Company of California under Advice Letter No. 3341 is extended to and including March 11, 1976, unless otherwise ordered.

The Secretary of the Commission is directed to cause a certified copy of this order to be served forthwith upon General Telephone Company of California and to mail a copy to each of the other parties of record.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup>  
day of AUGUST, 1975.
