Decision No. 84926

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Property owners of Pinon Hills,  
et al.,

Complainant,

vs.

Smithson Springs Water Company,

Defendant.

Case No. 8039

ORDER REOPENING PROCEEDING

It appearing to the Commission that the defendant herein may be in violation of the orders issued by this Commission in Decision No. 69513, and that by reason of such violation and the failure of defendant to haul water during the dry season, customers of the utility are unable to maintain minimum health standards.

IT IS ORDERED that Case No. 8039 be immediately reopened and that hearings before Commissioner Ross and Examiner Jarvis be held at a time to be hereafter set.

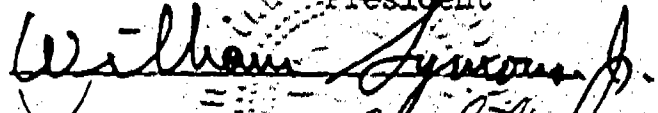

IT IS FURTHER ORDERED that the Secretary of the Commission cause personal service of this order to be made upon Smithson Springs Water Company and its officers and manager, and upon complainants.

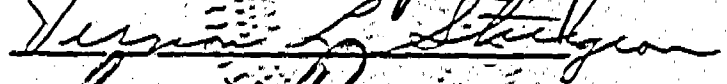

Case No. 8039 KB \*

The effective date of this order shall be the date  
hereof.

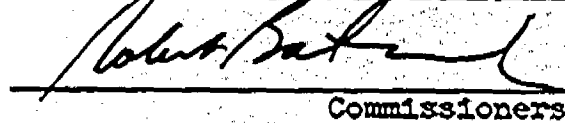

Dated at San Francisco, California, this 16<sup>th</sup>  
day of SEPTEMBER, 1975.
