 non-agency station at Nervo in the) Application No. 55753
 County of Sonoma, State of California;) (Filed June 19, 1975)
 to eliminate the station reference of)

 and to cancel all tariffs to and from)
 said station.)

O P I N I O N

Northwestern Pacific Railroad Company seeks authority, pursuant to General Order No. 36-D, to abandon its Class "C" non-agency station at Nervo, Sonoma County.

The verified application states that the station is not now required nor likely to be required in the future, as there are no facilities for handling freight thereat. There are no patrons using this station.

The existing stations nearest to Nervo are Geyserville (non-agency) 1.9 miles north and Lytton (non-agency) 2.0 miles south.

Notice of the filing of the application was published in the Commission's Daily Calendar on June 23, 1975. Letters were sent to various interested parties by the staff advising them of the application and that comments or protests to the proposal were to be received by September 5, 1975. No protests have been received.

F I N D I N G S

The Commission finds that:

1. Public convenience and necessity no longer require that Northwestern Pacific Railroad Company maintain Nervo as a Class "C" non-agency station.
2. A public hearing is not necessary.

C O N C L U S I O N S

On the basis of the foregoing findings, we conclude that the application should be granted as set forth in the following order:

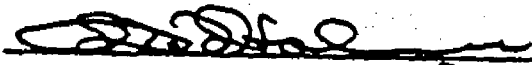

O R D E R

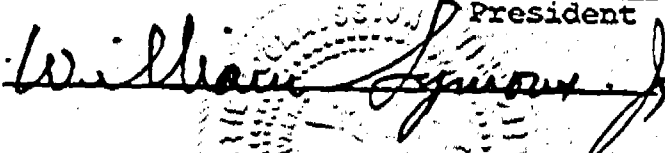

IT IS ORDERED that Northwestern Pacific Railroad Company is authorized to abandon its Class "C" non-agency station at Nervo, Sonoma County, subject to the following conditions:
