O P I N I O N

Plaza Apartments, doing business as Shelter Creek Apartments, presently providing service as a passenger stage corporation (PSC-933), seeks authority to increase its fare between the Shelter Creek Apartments, 701 Shelter Creek Lane, San Bruno and the Bay Area Rapid Transit District station on John Daly Boulevard (Knowles Avenue) in Daly City from 25 cents to 35 cents.

The service is provided for the convenience of the residents of applicant's Shelter Creek Apartments.

The applicant alleges that the proposed fare increase is required to offset increased fuel, maintenance, repair and labor expenses.

Its present fare was established by Decision No. 83063 dated June 25, 1974 in Application No. 54492.

The staff of the Transportation Division has made an analysis of applicant's operations and submitted a report on the estimated results of operation based on the future year 1976 under present and proposed fares. The report is hereby received as Exhibit No. 1. The exhibit indicates the following results:
