Decision No. 84819  
(Dated August 26, 1975)

ORDER EXTENDING STAY OF DECISION NO. 84819

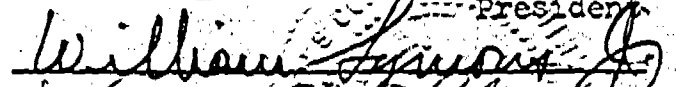

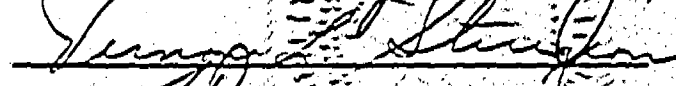

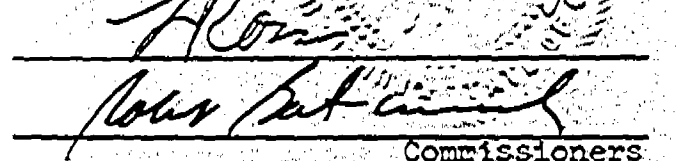

On August 26, 1975, the Commission issued Decision No. 84819. The effective date of said Decision was September 15, 1975. On September 5, 1975, Industrial Communications Systems, Inc. (ICS) filed a petition for rehearing of Decision No. 84819. Since the petition for rehearing was filed 10 days before the effective date of Decision No. 84819, the decision was stayed.

The Commission on its own motion, is of the opinion that the stay of Decision No. 84819 should be extended until further order of the Commission. The extension of the stay is made for the sole purpose of affording the Commission sufficient time to evaluate fully the contentions set forth in the petition for rehearing.

IT IS ORDERED that the stay of Decision No. 84819 is hereby extended until further order of the Commission.

The effective date of this order shall be the date hereof.

Dated at San Francisco, California, this 28th day of October, 1975.
