ORDER DENYING PARTIAL
REHEARING AND RECONSIDERATION

On October 15, 1975, this Commission issued Decision No. 85018 granting interim rate relief to San Diego Gas and Electric Company (SDG&E) in the annual amount of \$27,200,000, effective September, 1975, based on a 1975 test year. SDG&E had requested interim rate relief in an amount that would yield approximately \$35,000,000 in the last four months of 1975.

SDG&E filed a petition for partial rehearing and reconsideration on October 24, 1975, asking that its original request for interim rate relief be granted.

A. 55627, et al. bp

The Commission having considered each and every allegation in the petition and being of the opinion that good cause for rehearing and reconsideration has not been shown,

THEREFORE, IT IS ORDERED that rehearing and reconsideration of Decision No. 85018 is hereby denied.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 16th
day of DECEMBER, 1975.
