

Decision No. 85272**ORIGINAL**

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Application of
 NORTHWESTERN PACIFIC RAILROAD COMPANY
 for authority to abandon its Class "D"
 non-agency station at Arnold, in the
 County of Mendocino, State of California;
 to eliminate the station reference of
 Arnold from timetable and other records;
 and to cancel all tariffs to and from
 said station.

Application No. 56039
 (Filed November 4, 1975)

O P I N I O N

Northwestern Pacific Railroad Company seeks authority, pursuant to General Order No. 36-D, to abandon its Class "D" non-agency station at Arnold, Mendocino County.

The verified application states that the station is not now required nor likely to be required in the future, as there are no facilities for handling freight thereat. There are no patrons using this station.

The existing stations nearest to Arnold are Longvale (non-agency) 3.8 miles northwest and Outlet (non-agency) 5.0 miles southeast.

Notice of the filing of the application was published in the Commission's Daily Calendar on October 31, 1975. Letters were sent to various interested parties by the staff advising them of the application and that comments or protests to the proposal were to be received by December 10, 1975. No protests have been received.

F I N D I N G S

The Commission finds that:

1. Public convenience and necessity no longer require that Northwestern Pacific Railroad Company maintain Arnold as a

Class "D" non-agency station.

2. A public hearing is not necessary.

C O N C L U S I O N S

On the basis of the foregoing findings, we conclude that the application should be granted as set forth in the following order:
