Application No. 54592

ORDER OF REVOCATION

By Decision No. 82633 dated March 26, 1974, in Application No. 54592, Robert G. Hager was granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between East Manning Avenue, Reedley, and East Manning Avenue and Highway 99, Fowler.

Since April 15, 1974, Robert G. Hager has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order No. 101-C.

By letter dated October 29, 1974, Robert G. Hager requested that the Certificate of Public Convenience and Necessity be revoked since he is no longer in business.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between Reedley and Fowler authorized by Decision No. 82633, in Application No. 54592 is hereby revoked and all effective tariffs and timetables

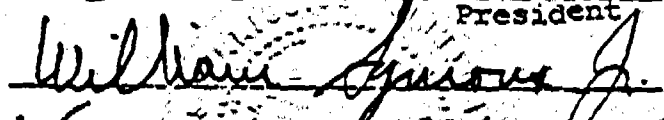

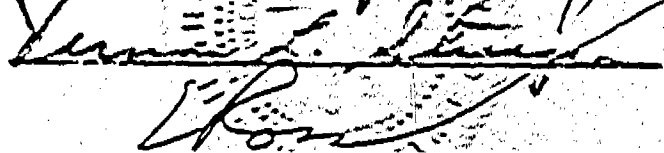

A. 54592 - FS

on file with the Commission in the name of Robert G. Hager are canceled upon the effective date of this order.

The Secretary is directed to mail a certified copy of this order to Robert G. Hager at 1032 N. Haney, Reedley, California 93654, last known address as shown on the Commission's records.

The effective date of this order shall be twenty days after the date hereof.
