INTERIM ORDER MODIFYING DECISION

Decision No. 85189 dated December 2, 1975 in Case No. 9642 required, among other things, that certain reports on conservation plans be filed by December 30, 1975, and analyses of conservation expenditures and activities be submitted quarterly.

Respondents Southern California Gas Company and San Diego Gas & Electric Company have indicated that more comprehensive and meaningful initial conservation report could be provided by them on March 31, 1976 rather than by December 30, 1975.

The Commission finds that Ordering Paragraphs 10 and 11 of Decision No. 85189 should be modified.

IT IS ORDERED that:

1. Ordering Paragraph 10 of Decision No. 85189 is modified by substitution of the date March 31, 1976 for the date December 30, 1975.

2. Ordering Paragraph 11 of Decision No. 85189 is modified by substitution of the word "semi-annually" for the word quarterly".

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 30th
day of DECEMBER, 1975.
