In Decision No. 85113, issued on November 18, 1975, this Commission approved tariff schedules filed by Southern California Gas Company (SoCal) reflecting increased rates to offset costs to be incurred pursuant to a funding agreement between SoCal and Atlantic Richfield Company (ARCO). The funding agreement and the associated Northern Alaska Funding Adjustment (NAFA) were approved in Decision No. 84729. The Commission has considered said petition and each and every allegation set forth therein and is of the opinion that good cause for rehearing has not been made to appear.

THEREFORE, IT IS ORDERED that rehearing of Decision No. 85113 is hereby denied.

The effective date of this order is the date hereof.
