Application No. 52371  
(Filed December 22, 1970)

ORDER OF DISMISSAL

The county of Los Angeles (County) seeks authority to extend Lyons Avenue, in the community of Newhall, at grade across the tracks of the Southern Pacific Transportation Company (SP Co.).

Decision No. 79629, dated January 25, 1972, conditionally granted the requested authority.

Decision No. 79965, dated April 18, 1972, granted the petitions of County, SP Co., and the Placerita Canyon Property Owners Association for rehearing of Decision No. 79629.

By letter dated September 11, 1972 County requested that the matter of scheduling a rehearing on this matter be deferred until such a time as County completed contemplated engineering studies on the necessity of the crossing. At this time County is still not prepared to go to hearing on this matter.

The Commission having considered the time lapsed since the granting of the rehearing and the present status of the matter concludes that Decisions Nos. 79629 and 79965 should be rescinded.

IT IS ORDERED that Decisions Nos. 79629 and 79965 are hereby rescinded. Application No. 52371 is dismissed without prejudice.

The effective date of this order shall be twenty days after the date hereof.

San Francisco  
Dated at \_\_\_\_\_, California, this 16<sup>th</sup>  
day of MARCH, 1976.
