

Decision No. 85657

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

VALERIE MADDEN,

Complainant,

vs.

PACIFIC TELEPHONE & TELEGRAPH  
COMPANY, DOES ONE through TEN  
and MRS. DOE LEIGHTON,

Respondents.

Case No. 10074  
(Filed March 25, 1976)

ORDER GRANTING INTERIM RELIEF

The verified complaint alleges that:

1. Complainant receives telephone service from defendant under her professional name of Jessica Treharne. Complainant's telephone number is (415) 763-1542.

2. On or about March 25, 1976, without notice to complainant, and in violation of its tariff, defendant disconnected complainant's telephone service for the alleged nonpayment of charges in the amount of \$38.43.

3. Complainant offered to pay \$38.43 for the restoration of service, but defendant refused to reconnect service unless complainant also made a deposit of \$150.

At the time of filing of this complaint, the complainant deposited with the Commission the sum of \$38.43.

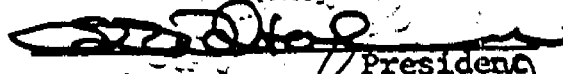

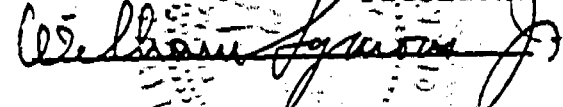

The Commission finds and concludes that sufficient facts have been alleged for the granting of interim relief.

IT IS ORDERED that defendant shall restore complainant's telephone service for the number (415) 763-1542 until further order of this Commission, provided, however, that defendant may discontinue service in accordance with its tariff if complainant does not pay for future service rendered when such payments become due.

The Executive Director is directed to cause a certified copy of this order to be personally served on defendant. Service on complainant may be made by mail.

The effective date of this order is the date hereof.

Dated at, San Francisco, California, this 31<sup>st</sup>  
day of MARCH, 1976.
