ORDER EXTENDING TIME

Continental Telephone Company on February 10, 1976, requested in writing an extension of time of four months in the reporting requirements of Ordering Paragraph No. 3 of Decision No. 81767 dated August 21, 1973. The request is made so that actual settlement cost study results can be used to generate the study ordered by Ordering Paragraph No. 3 at considerable savings in time and effort.

It appears that the request is in the public interest. A public hearing is not necessary.
