Application No. 55826

SUPPLEMENTAL OPINION AND ORDER

Decision 85520 in this proceeding amended the certificate granted to Mueller Truck Co. by Decision 83230, dated August 6, 1974, in Application 54935, by excluding certain commodities. It has been brought to our attention that the title and description of Los Angeles Basin Territory as shown in Appendix A is incorrect. The title should read "Los Angeles Territory" and the territorial description changed accordingly.

In the circumstances it appears and the Commission finds that the necessary correction should be made by the order herein. A public hearing is not necessary. The Commission concludes that Decision 83230 supra should be amended accordingly. The effective date of the order should be the date on which it is signed as there is no known opposition and no reason to delay the correction of the Commission's records.

IT IS ORDERED that Appendix A of Decision 83230 in Application 54935 as amended by Decision 85520 in this proceeding is hereby further amended by substituting Second Revised Page 3 and First Revised Page 3A attached hereto in place and stead of First Revised Page 3 and Original Page 3A.
