Application No. 56209
 (Filed January 19, 1976,
 Amended April 23, 1976)

OPINION AND ORDER

By this application, as amended, Dick Huizenga, doing business as Dick Huizenga Trucking, requests authority to deviate from the provisions of Minimum Rate Tariff 2 in connection with transportation of bark, in bulk, for Farwest Forest Inc. between Martell and Terra Bella, on the one hand and various points in California, on the other hand.¹

The application, as amended, is based on special circumstances and conditions detailed therein.

The application and amendment were listed on the Commission's Daily Calendar of January 26 and April 26, 1976, respectively. California Trucking Association objected to the ex parte

¹ The present and proposed rates in cents per 100 pounds for representative shipments of bark, in bulk, are:

<u>Between</u>	<u>And</u>	<u>Present Rates</u>	<u>Proposed Rates</u>
		<u>Minimum Weight</u> <u>40,000 Pounds</u>	<u>Minimum Weight</u> <u>47,000 Pounds</u>
Terra Bella	San Fernando	57.7	45
Martell	Hayward	53.6	42

handling of this matter stating that the reasonableness of the proposed rates cannot be measured by the average cost data submitted in the original application. However, revenue and expense data submitted by applicant in his amended application indicate that the transportation involved may reasonably be expected to be profitable under the proposed rates.

In the circumstances, the Commission finds that applicant's proposal is reasonable. A public hearing is not necessary. The Commission concludes that the application, as amended, should be granted as set forth in the ensuing order.

IT IS ORDERED that:

1. Dick Huizenga is authorized to perform the transportation shown in Appendix A attached hereto and by this reference made a part hereof at not less than the rates set forth therein.

2. The authority granted herein shall expire one year after the effective date of this order unless sooner cancelled, modified or extended by further order of the Commission.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 25th day of May, 1976.
