Pursuant to C.C.P. Section 2019, IT IS ORDERED that:

1. Respondent Shell Oil Company (Shell) will produce to the staff of the California Public Utilities Commission (Commission) all documents in its possession or under its control described in the appendix attached to the subpoena duces tecum issued on March 12, 1976 by the Commission, directed to Shell. 2. Access to documents responsive to demands 8, 10 through 14, inclusive, and 18 through 21, inclusive (hereinafter referred to as "protected documents") produced by Shell shall be limited to the Commission and to the staff assigned to this matter. No member of either the Commission or the staff shall disclose any protected document or any information contained in any protected document unless and until it is necessary to make such disclosure in the course of a hearing or other proceeding in this matter.

3. Not later than thirty days prior to a hearing or other proceeding in this matter, the staff will inform Shell of the protected documents it intends to disclose in the course of the hearing or other proceeding to allow Shell an opportunity to seek a protective order from the examiner.

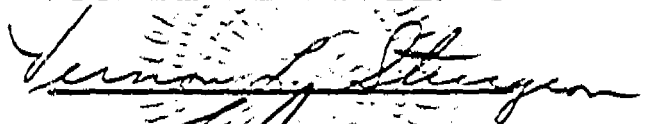

4. Within sixty days of the time when the decision of the Commission in this matter becomes final, all documents produced by Shell will be returned to it.
