ORDER OF REVOCATION

By Decision 83418 dated September 11, 1974 in Application 54835 Robert H. Anderson and Louis G. Gigliati, doing business as Pioneer Lines, were granted a Certificate of Public Convenience and Necessity (PSC-942) to operate as a passenger stage corporation between the City of Livermore and Lawrence Livermore Laboratory, and Sandia Corporation and certain intermediate points.

Since July 26, 1975, Robert H. Anderson and Louis G. Gigliati, dba Pioneer Lines, have had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order 101-C.

By letter dated February 15, 1976, Robert H. Anderson informed this Commission that Pioneer Lines is no longer exercising its Certificate as the carrier has experienced a decrease in patronage and increased expenses. Under the circumstances the carrier requests that its Certificate be terminated.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a Passenger Stage Corporation between the City of Livermore and Lawrence Livermore Laboratory, Sandia Corporation and certain intermediate points authorized by Decision 83418, in Application 54835, in the names of Robert H. Anderson and Louis G. Gigliati, doing business as Pioneer Lines, is hereby revoked upon the effective date of this order.

The Executive Director of the Commission shall mail certified copies of this order to Robert H. Anderson and Louis G. Gigliati at P. O. Box 965, Livermore, CA 94550, last known address as shown on the Commission's records.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 15th day of JUNE, 1976.
