FIRST SUPPLEMENTAL ORDER

By Decision No. 85037, dated October 21, 1975, in the above-entitled matter, the Commission authorized Southern California Edison Company to issue, sell and deliver not exceeding 2,300,000 shares of its common stock substantially in accordance with its Employee Stock Purchase Plan set forth in Exhibit E attached to the application.

The purchase price for such shares was to be computed in accordance with an Amended Trust Agreement by averaging the high and low sale prices of the company's common stock traded on the New York Stock Exchange as reported in the Pacific Coast Edition of The Wall Street Journal. However, the Pacific Coast Edition of The Wall Street Journal has changed to reporting said stock by composite quotations reflecting transactions in addition to those occurring on the New York Stock Exchange.

In order to reflect the change in method of reporting trading quotations of the utility's common stock, the Petition for Modification states that such Amended Trust Agreement has been further amended to read as set forth in Exhibit A attached to the petition.

Inasmuch as the Pacific Coast Edition of The Wall Street Journal no longer reports in the manner contemplated by said Decision No. 85037, petitioner requests a modification thereof which will reflect the change to composite quotations.

Good cause appearing, and there being no known opposition and no reason to delay granting the relief requested,

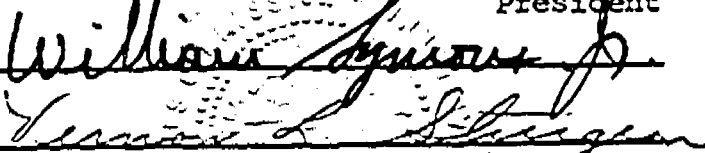

IT IS ORDERED that:

1. As a modification of Decision No. 85037, Southern California Edison Company may issue, sell and deliver not exceeding 2,300,000 shares of its common stock substantially in accordance with the terms and conditions set forth in Application No. 55963 as modified as set forth in the Petition for Modification filed in this proceeding on May 27, 1976.

2. The authority granted in Decision No. 85037 shall remain in full force and effect except as modified by this First Supplemental Order.

3. The effective date of this First Supplemental Order is the date hereof.

Dated at San Francisco, California, this 15<sup>th</sup> day  
of JUNE, 1976.
