ORDER OF REVOCATION

By Decision 82667, dated April 2, 1974 in Application 54496, Ellsworth Lewis, doing business as Lewis Travel Center, was granted a Certificate of Public Convenience and Necessity (PSC-940) to operate as a passenger stage corporation between Visalia and Fresno Municipal Airport.

The carrier notified this Commission by letter of April 28, 1975 that it plans to discontinue its bus service as it has not been able to attract riders and was losing money.

On March 31, 1976 the carrier filed its 1975 Annual Report indicating therein that it had retired from service July 17, 1975.

Since July 1, 1975 Ellsworth Lewis, dba Lewis Travel Center, has had no evidence on file with this Commission showing adequate protection against liability imposed by law for payment of damage for personal injury or property damage, as required by General Order 101-C.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be canceled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation authorized by Decision 82667, in Application 54496 is hereby revoked and all

effective tariffs and timetables on file with this Commission in the name of Ellsworth Lewis, dba Lewis Travel Center, are canceled upon the effective date of this order.

The Executive Director of the Commission shall mail a certified copy of this order to Ellsworth Lewis at 124 N. Willis Street, Visalia, CA 93277, last known address as shown on the Commission's records.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 22nd  
day of JUNE, 1976.
