ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of CITIZENS UTILITIES  
COMPANY OF CALIFORNIA to increase  
its rates and charges for its  
water system serving the Niles-  
Decoto area in Alameda County.

Application No. 54960  
(Filed June 12, 1974)

ORDER EXTENDING TIME

By Decision No. 85658 dated April 13, 1976 in Application No. 54960 the Commission directed Citizens Utilities Company of California to improve its Niles-Decoto system. The effective date of Decision No. 85658, and therefore the day construction was to begin, was July 15, 1976.

Citizens is negotiating with the Alameda County Water District for the sale of the system to ACWD. If such sale is completed, Citizens will not have to make the improvements required by Decision No. 85658. The sale is expected to be completed by approximately August 15, 1976. To facilitate the sale and avoid unnecessary expense the parties should be given adequate time to complete negotiations. The effective date of Decision No. 85658 should be extended to September 1, 1976.

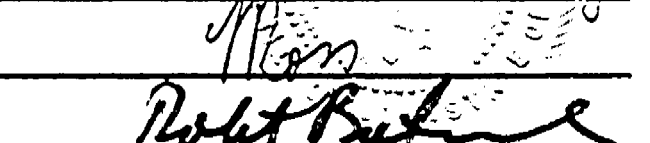

Therefore, IT IS ORDERED that the effective date of Decision No. 85658 is extended to September 1, 1976.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 22nd day of JUNE, 1976.
