Decision No. 86092

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

John J. Prohoroff,  
Complainant,  
vs.  
San Diego Gas and Electric Company,  
Defendant.

# ORIGINAL

Case No. 10044  
(Filed February 11, 1976)

## ORDER OF DISMISSAL

The complaint was filed on February 11, 1976. On March 15, 1976, complainant and defendant filed a stipulation and request to withdraw the complaint. The stipulation indicates that the relief requested cannot be obtained by complainant against defendant. It can only be obtained by modification of a presently effective Commission decision. The stipulation provides for the dismissal of the complaint upon complainant's filing a petition for reconsideration of the Commission's findings and order in Resolution No. G-1770. Complainant filed such a petition on May 20, 1976. In the circumstances, the complaint should be dismissed.

IT IS ORDERED that the complaint in the above-entitled proceeding is hereby dismissed.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this 13<sup>th</sup>  
day of July, 1976.
