In the Matter of the Application of)
 OLYMPIC DELIVERY SERVICE, INC., doing)
 business as Rocket Messenger Service,)
 a California corporation, to extend)
 the authority granted to said company)
 in Cal PUC Decision No. 70020.)

Application No. 55998

ORDER EXTENDING TIME

By Decision No. 85423 dated February 3, 1976, applicant Olympic Delivery Service, dba Rocket Messenger Service, was granted a certificate of public convenience and necessity to operate as a freight forwarder. The grant of that authority was conditioned, among other things, that:

1. Within thirty days after the effective date of this order, applicant shall file a written acceptance of the certificate granted.
2. Within one hundred twenty days after the effective date of this order, applicant shall establish the authorized service and file tariffs, in triplicate, in the Commission's office.

Applicant has not complied with these provisions.

Applicant's tariff publishing agent has advised that the failure to act was due to the resignation of applicant's president, who had been responsible for these duties. The agent requests that the time for compliance be extended to August 15, 1976.

The requested extension of time is reasonable and should be granted.

The Commission concludes that the effective date of this order should be the date on which it is signed because public convenience requires prompt commencement of the proposed service.

Therefore, IT IS ORDERED that:

1. Paragraphs 2(a) and 2(b) of Decision No. 85423 are amended to read:

- (a) On or before August 15, 1976, applicant shall file a written acceptance of the certificate granted.
- (b) On or before August 15, 1976, applicant shall establish the authorized service and file tariffs, in triplicate, in the Commission's office.

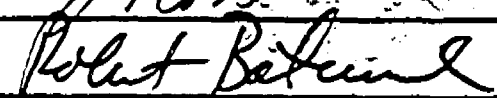

2. In all other respects Decision No. 85423 will remain in full force and effect.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 13th day of July, 1976.
