Decision No. 86149

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

In the matter of the Suspension and Investigation on the Commission's own motion of tariffs filed under Advice Letter No. 3157 by General Telephone Company of California.

Case No. 9757 (Filed June 25, 1974)

ORDER EXTENDING PERIOD OF SUSPENSION

By an amendment issued on March 9, 1976, to the order of suspension and investigation in Case No. 9757, certain tariff sheets of General Telephone Company of California filed under Advice Letter No. 3713 were suspended to and including July 24, 1976. It appears that a decision in the matter cannot be rendered by that date. Accordingly, the Commission finds that the period of suspension of those tariff sheets should be extended.

Therefore, IT IS ORDERED that the suspension of the effective date of the tariff sheets filed by General Telephone Company of California under Advice Letter No. 3713 is extended to and including January 24, 1977, unless otherwise ordered.

The Executive Director of the Commission is directed to cause a certified copy of this order to be served forthwith upon General Telephone Company of California and to mail a copy to each of the other parties of record.

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 1944

day of JULY, 1976.
