ORDER DENYING REHEARING  
AND MODIFYING DECISION  
NO. 85790

On May 24, 1976, Scott-Buttner Communications, Inc. filed a petition for rehearing of Decision No. 85790. The Commission has considered each and every allegation of the petition and is of the opinion that good cause for rehearing has not been made to appear.

However, on further review of the pleadings and evidence submitted in these proceedings, the Commission is of the opinion that Decision No. 85790 should be modified to reflect our determination that the estimate by The Pacific Telephone and Telegraph Company of the revenue producing life of its SG-1 equipment is persuasive.

THEREFORE, IT IS ORDERED that rehearing of Decision No. 85790 is hereby denied.

IT IS FURTHER ORDERED that Decision No. 85790 is hereby modified as follows:

Finding 14 at page 10 is deleted. The following finding is substituted therefor:

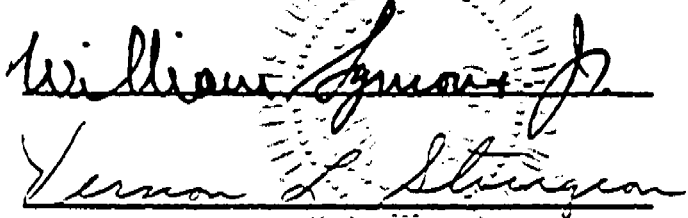

14. The estimate of the revenue producing life of the SG-1 submitted by The Pacific Telephone and Telegraph Company of 15 years is reasonable.

d1m A. 55527

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 19<sup>th</sup>  
day of JULY, 1976.
