ORDER OF REVOCATION

By Decision 84178, dated March 11, 1975, in Application 55256, Gregory W. Spearing and Leonard T. Molnar, a partnership doing business as South Bay Transit Co. (PSC 965), were granted a Certificate of Public Convenience and Necessity to operate as a passenger stage corporation between Torrance, Redondo Beach, Palos Verdes and the Los Angeles International Airport.

By letter dated June 19, 1976, Gregory W. Spearing requested that the Certificate of Public Convenience and Necessity be revoked. He indicated that he was never able to begin service due to the untimely death of his partner which resulted in a financial hardship.

It appears and the Commission finds that these matters constitute good cause for the revocation of the aforementioned certificate and that such revocation would not be adverse to the public interest. The Commission, therefore, concludes that the certificate should be revoked and that tariffs and timetables applicable to the service thereunder should be cancelled.

IT IS ORDERED that the Certificate of Public Convenience and Necessity to operate as a passenger stage corporation, authorized by Decision 84178 in Application 55256, is hereby revoked and all effective tariffs and timetables on file with the

Commission in the names of Gregory W. Spearing and Leonard T. Molnar, a partnership doing business as South Bay Transit Co., are cancelled upon the effective date of this order.

The Executive Director of the Commission shall mail a certified copy of this order to Gregory W. Spearing and Leonard T. Molnar, dba South Bay Transit Co., 1103 Goodman Avenue, Redondo Beach, CA 90278, last known address as shown on the Commission's records.

The effective date of this order shall be twenty days after the date hereof.

Dated at San Francisco, California, this
3rd day of AUGUST, 1976.
