

Decision No. 86391

ORIGINAL

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Michael W. Harrison
for modification and emergency relief
of Decision #86193 (dated Aug. 3, 1976).

Application No. 56705

ORDER OF MODIFICATION

By Decision No. 86193 dated August 3, 1976 the Commission imposed the following restriction upon Citizens Utilities Company of California, Montara District:

- "3. Respondent shall make no new connections until such time as it can demonstrate a sufficient water supply to provide for additional customers without adversely affecting service to existing customers. Respondent shall exempt therefrom all applicants for service having a building permit issued prior to August 3, 1976."

On August 23, 1976, Michael W. Harrison filed a petition for modification and alleges that he applied for a building permit on June 30, 1976, which was issued on August 16, 1976; that a sewer permit issued by the Montara Sanitary District will expire on October 26, 1976, unless water service has been connected and the foundation and rough plumbing have been completed prior to said date; that if the sewer permit expires petitioner will be unable to have it renewed because of a restriction against new connections imposed by the Montara Sanitary District on April 1976; that it is petitioner's understanding that all but two of the last 17 individuals issued sewer permits have been connected to the sewer system; and that petitioner has expended considerable time and money arranging for the construction of his new house.

After consideration the Commission concludes that the petition should be granted.

IT IS ORDERED that:

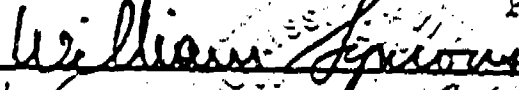

1. As an exception to Ordering Paragraph 3 of Decision No. 86193, Citizens Utilities Company of California, Montara District, shall upon application provide water service to Michael W. Harrison, petitioner herein.

2. In all other respects the provisions of Decision No. 86193 shall remain in full force and effect.

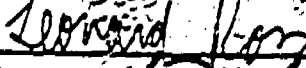

The effective date of this order is the date hereof.

Dated at San Francisco, California, this 14th day of SEPTEMBER, 1976.
