ORDER MODIFYING DECISION 83-10-092
AND DENYING REHEARING

Citizens Utilities Company of California has filed an application for rehearing of Decision (D.) 83-10-092. We have carefully reviewed all allegations raised therein and have concluded that, particularly in view of Resolution T-10781, issued December 20, 1983, no ground for granting rehearing has been shown. However, we are persuaded that the decision should be modified in several minor respects as shown below. Therefore,

IT IS HEREBY ORDERED that D.83-10-092 is modified as follows:

1. To be consistent with Appendix A, the first sentence on page 31 is modified to read:

"month and at adopted rate levels, \$7 per month). The first minute"

2. The first sentence in the second full paragraph is modified to read:

"For business measured service, the structure is similar but there is no 200-unit additional allowance."

3. The first full paragraph on page 43 is modified to read:

"There is also dissatisfaction concerning the calling area. No extended area service (EAS) to North Sacramento or foreign exchange service (FEX) to Galt (Pacific's territory) has been available for those who wish it. At the Elk Grove hearing, a company representative announced that Citizens and Pacific have reached agreement on installing the necessary equipment to provide FEX to Galt."

IT IS FURTHER ORDERED that rehearing of D.83-10-092 as modified herein is denied.

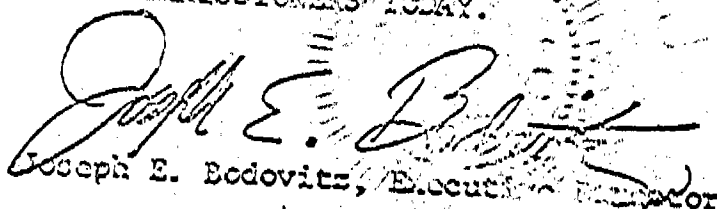

This order is effective today.

Dated FEB 16 1984, at San Francisco, California.
