Application 60331
(Filed March 9, 1981)

ORDER EXTENDING TIME

Decision (D.)92933 dated April 21, 1981 in Application 60331 authorized Southern California Edison Company (Edison) to issue, sell, and deliver on or before April 30, 1982, in one or more series, an aggregate principal amount of up to \$150,000,000, in par or stated value, its \$100 Cumulative Preferred Stock, \$100 par value; Cumulative Preferred Stock, \$25 par value; \$100 Preference Stock, \$100 par value; Preference Stock, \$25 par value; or any combination of them, upon the timing and conditions set forth in the application. By D.82-04-019 dated April 6, 1982, the Commission extended the authority for one year. By order dated April 6, 1983, in D.83-04-007, the Commission extended the authority for an additional year. The authority granted by D.92933, D.82-04-019, and D.83-04-007 will expire in April 30, 1984.

Edison, by letter dated March 20, 1984, requests an extension of time to April 30, 1985 in which to exercise its authority.

Findings of Fact

1. Edison's request is reasonable and would not be adverse to the public interest.
2. A public hearing is not necessary.

Conclusion of Law

The request for an extension of time should be granted.

A.60331 RR/KLH/SR/WPSC*

Good cause appearing,

IT IS ORDERED that the authorization granted to Southern California Edison in D.92933, D.82-04-019 and D.83-04-007 is extended through April 30, 1985.

This order is effective today.

Dated APR 18 1984 at San Francisco, California.
